From the President's Desk

As you all are aware, we are in the process of obtaining the C.A.R.F. Accreditation Credentials.

This is a crucial time for all of us to challenge ourselves in proving once again, our passion & commitment to our wonderful clients.

We all understand the Importance of team work and I cannot thank you all enough for your dedication and the hard work you all put in order for this accreditation to be accomplished.

Rest assured that I'm looking forward to work alongside all of you to provide the best continual care and strive for the best outcomes.

Thanks again to all my colleagues and let's keep the ball rolling!!!

FYI : For employees Regarding upcoming C.A.R.F. Accreditation Here are a few facts about what is C.A.R.F. and what it means:

CARF: Commission on Accreditation of Rehabilitation Facilities

The mission of **CARF** is to promote the quality, value, and optimal outcomes of service through a consultative accreditation process and continuous improvement services that center on enhancing the lives of persons served.

C.A.R.F. provides accreditation services worldwide at the request of health and human service providers; whether you are seeking rehabilitation for a disability, treatment for addiction and substance abuse, home and community services, retirement living, or other health and human Services.

The CARF accreditation process starts with a provider's commitment to continuous improvement and culminates with external review and recognition that the provider's business and service practices meet international standards of quality.
